Greenfield Minor League Baseball is set to begin the 2023 Season. Practices begin in April, with games beginning in May. Games are normally played during the week, after 5pm to approx. 8pm, although some games and/or practices may be scheduled on the weekends. All players are welcome, no matter their current skill level. The registration fee includes Uniform and Hat. The league is always in need of volunteers, especially coaches, to help at all levels. Please consider donating your time to help the players and teams this year.

* Player cannot turn 13 prior to May 1, 2023

Note: This is not a school sponsored event
